🚨NOTE: I was given a 12-hour timeout yesterday for THIS post. Given what we now know about the hostile operations and agendas of these Betar/Kahane/ZOA and PayPalantir terrorists within our borders, my post was not only Constitutionally lawful, it was my OBLIGATION to make it.

I stand by every single word I said and will continue to say and stand by these words until such time that our republic is saved from the anti-White, anti-Christian, anti-American terrorists who've infiltrated it.
